CECC LUCKNOW

Update the Database

All the Units of Chief Engineer Central Command are requested to kindly make maximum use of the web portal and update the data of basic staff under their strength.

PTO Publishing

The PTO publishing facility has been commenced on the web portal for all the units under the AOR of this command. To make use of this facility you have to login with the user Id and password provided to your unit. Till any further instructions from this HQ, all the units shall continue to publish PTOs in hard copy as being done now in addition to publishing on the web portal.

Feedback

The feedback on the automation work done till now is invited from all the units.

Any difficulty being faced by the units in using the web portal should be brought to the notice of this HQ through email/letter. Suggestions to improve the automation work also would be appreciated.

Pers Directorate

An ambitious program of automation of the working of the Pers. directorate has been initiated at CentralCommand, Lucknow. The work is to carried out in phases. In the first phase the database of all basic staff under the AOR of this command has been put up on a web portal which should be available for any body to see, however to edit and add the data all the units under this command has been given a login Id and password to login into the database and do the work of editing and adding data of their missing staff into the database.

The PTO publishing job also has been taken up in this phase to publish PTO of the basic staff online on the web portal by all the units under the AOR of this command.
